

22 July 1953

MEMORANDUM FOR DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: PMS Discussion of [REDACTED] 25X1A5a1

1. From the purely intelligence point of view, it is difficult for us to justify support for the proposed Pacific Science Conference in Manila next November.

2. From the point of view of strengthening general intellectual ties in the Pacific area, the Conference is obviously a worthy undertaking.

3. All [REDACTED] requests is support by the Department of the Air Force in the form of transportation of participants. 25X1A5a1

4. Recommend that you and General Smith encourage Deputy Secretary Ryes to furnish the requested transport.
